

ORCHESTRA FILARMONICA
VITTORIO CALAMANI

Marta Balzar – Head of operations

A classical arts graduate from Rome and then specializing in Archaeological Heritage at the University of Milan, her activities continued with university research, archaeological excavations, guided tours and teaching humanities. Later, after a Master's degree at the University of Tor Vergata in Musealization of Archaeological Heritage, she directed her work on the organization of cultural events. Over the years she has gathered significant experience working for the prestigious Grinzane Cavour Literary Award in Turin, with tasks related to project planning and communication. Playing a similar role at the Ducci Foundation as Head of the Art Sector, taking care of the exhibition and organization of the exhibitions of the same Foundation. Since 2017 she's been responsible for the co-ordination of the Festival della Piana del Cavaliere, taking care of the exhibition dedicated every year to the winner of the Festival Manifesto. From 2019 she's been responsible for the co-ordination of the "Orchestra Filarmonica Vittorio Calamani" Association, taking care of the organizational part of the cultural events achieved so far.
