

ORCHESTRA FILARMONICA
VITTORIO CALAMANI

Mr Stefano Calamani – President

Mr Stefano Calamani, CEO of Aisico S.r.l, a leader company in serving road safety in Italy and around the world, promotes annually the organisation and creation of cultural events and activities including the Festival della Piana del Cavaliere and The Vittorio Calamani Philharmonic Orchestra.

The aim is to better our society by using music, art and culture so that it is accessible to all. The conviction of Mr Calamani is that large companies should choose to constantly invest in the culture, to fill in an increasingly obvious gap: the attention society pays to education levels and how culture in relation to the territory, of the population and especially of young people and their training.
